**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am very happy with the service Sonic provides. I understand that your office is trying to try to deregulate broadband delivery services in a way that gives more power to AT&T and makes the service that I have grown to love, Sonic, nonviable as a business. As a citizen, I believe in competition, and it is the competition that has provided me with the valued product at a great price that I enjoy. I urge you to reconsider this ill-founded deregulation.

Danny Chang
